## **SHOPFITTING & JOINERY PROFESSIONALS**

**Deploy UK provide temporary and permanent staff for all aspects of the shopfitting and fitout industries and our specialist team provides industry experience and knowledge along with a single point of contact to ensure both candidates and clients receive a first class service.**

Our consultants have the enviable reputation of being the preferred recruitment provider for some of the UK's leading Shopfitting & Fitout specialists and therefore have access to the latest vacancies. We recruit for a vast array of permanent and contract positions and some of the vacancies which we recruit for are:

- Site Managers
- CAD Draughtsmen
- Contracts Managers
- Working Foremen
- Project Managers
- Quantity Surveyors
- Estimators
- Finishing Foreman
- Production Managers
- Workshop Managers

Our focus is on developing long-term relationships with our clients and our candidates, offering sound advice and consulting on the whole recruitment process in an honest, clear and professional manner.

Our approach has resonated with our clients and candidates alike, allowing us to earn their trust, building long term consultative relationships which shines through with repeat business and regular excellent feedback on our staff and services.

## FITOUT & JOINERY TRADES & LABOUR

The Fitout Division of Deploy UK delivers personnel with all the specialist skills, experience and qualifications you need to make your construction project run smoothly. It doesn't matter how urgent your demand is, where in the UK you need us or how many personnel your project requires - we've got exactly the right people for the job as well as the support services to manage them seamlessly. Better still, our consultants really understand your day-to-day work, from speaking the jargon right through to knowing the qualifications and personality types that will make a particular individual a great addition to your team.

- Our specialist recruiters know the fitout industry, its culture and its job roles inside out
  - Rigorous vetting means we only supply people with the perfect mix of relevant skills and right attitude
  - We fulfil one-off requests for a single individual right through to ongoing contracts for sourcing entire labouring gangs over multiple sites
  - We can deliver fully integrated recruitment solutions within all major frameworks including Master Vendor, Neutral Vendor and Preferred Supplier
  - Our nationwide network means we can recruit quickly and efficiently throughout the UK.
- We're able to supply a huge range of skilled workers in exactly the numbers you require, including all those listed below. If you can't see the specialist you need, call us - we'll know how to find them if they're not already on our books.
- General Labourers
  - Skilled and semi-skilled Labourers
  - Cabinet Makers
  - Bench Joiners
  - Plasterers
  - Painters & Decorators
  - Joiners
  - Multi Skilled Operatives
  - Partitioners
  - Dryliners
  - Ceramic Tilers
  - Taper & Jointers
  - Glazier
