SECURITY & LOGISTICS

We at Deploy UK specialise in providing both temporary and permanent staff to the Security Industry. In the current economic climate, unprotected sites and properties, fall prey to pilferage and unauthorised entry, offering easy targets to the growing number of criminally minded who live among us.

Our carefully selected and comprehensively trained Site Security Officers prove the ultimate deterrent.

As one of the largest suppliers of Security Operatives in the UK, we have years of experience and have established our position within the market place through a combination of hard work and putting our clients first. Our consultants know the Industry inside and out and can offer first hand knowledge on work standards and invaluable assessments of candidate suitability for the job.

Deploy UK Ltd's experienced consultants will work closely with your management team to identify and supply Security Guards suitable to your requirements. Whether it be working at a School, Commercial Property or Construction Site, we can supply experienced staff who will represent your company at the highest levels.

School Security

Deploy UK has supplied a number of security Guards to schools across the country, covering for failures in alarm systems or for events. All operatives hold valid SIA Licences as well as a current and up-to-date CRB Check, for work in close proximity to minors.

Construction

Deploy UK are capable of supplying guards to Construction Sites who are fully conversant with current Health & Safety regulations in force within the Construction Industry and hold valid CSCS Cards, as well as offering full Logistics packages

Retail

We can supply high quality Retail Security Staff to both individual retail outlets as well as Large Shopping Centres. All guards are carefully selected and have the knowledge they require to interact with the general public, local authorities and Police Forces. All Retail Security Officers are trained to deal with crowd control, evacuation procedures, test purchasing searches, powers of arrest, group retail radio links and CCTV.

Door Staff

Door Supervisors are used mainly by the licensing trade, in pubs, bars, entertainment venues, nightclubs and late night establishments. Deploy UK provides your business with a trained team of experienced personnel, able to professionally tackle customers of a violent or offensive disposition, and where necessary, remove such offenders from the premises.
